

WE RISE BY LIFTING OTHERS!

We are group of professionals keen to contribute our fair share back to Ethiopia. Nothing more. Nothing less.

Ethiopian Norwegian Professional Organization (ENPO), established in 2018 in Oslo has begun to organize professionals and academics amongst nearly eight thousand immigrants of Ethiopian origin in Norway.

ENPO aims to engage Ethiopian-Norwegian professionals and academics educated in Norway in order to contribute to the development of the Ethiopian economy by transferring technology, innovation, and socio-economic development. ENPO believes that strategic collaboration between the diaspora and Ethiopia will favorably affect technology transfer and investments.
